To Whom It May Concern:

Re: Antonio Villarruel Architects

I would like to highly recommend Antonio for any project in which creativity is the driving force. Below are pictures of the building that Antonio designed for us, which is considered an architectural masterpiece and trophy building in Westlake Village, California.

We would highly recommend Villarruel Architects, Inc. as an exceptional architectural firm for future projects, since they are committed to getting our projects completed on time and on budget and have an excellent understanding of our facilities needs.

Should you have any questions please feel free to contact me.

Cordially yours,

Carlos A. Khantzis
