

Compton Unified School District
501 South Santa Fe Avenue
Compton, CA 90221
(310) 639-4321

June 18, 2010

To Whom It May Concern:

This letter is written on behalf Villarruel Architectural firm. The Compton Unified School District has worked with this firm for the last seven (7) years on school modernizations, fire projects and takeover construction projects. Specifically, they have assisted the District with the Office of Public School Construction eligibility process, the designs, funding options, and construction planning and oversight.

Kaye E. Burnside, Ed.D.
Superintendent

Our District personnel have found the architects and support personnel very accommodating to our requests and needs. They have always provided a quick response to any request and have always made themselves available.

The Villarruel Firm is also very effective working with contractors. Construction meeting are regularly held and they stand firm to holding the contractors accountable. Change Orders are almost nonexistent.

I highly recommend Villarruel Architects as an excellent architectural firm for school districts. They are highly reputable very professional and understand the issues that school facilities face.

Please feel free to contact me at (310)639-4321 Ext. 42717 for additional information or questions.

Sincerely,

A handwritten signature in blue ink that reads 'Alvin Jenkins'.

Alvin Jenkins
Director of Facilities
Compton Unified School District
