Dear Antonio,

As we come to the completion of the above-mentioned project. We would like to thank you for your cooperation and professionalism as a team player. Even though finishing up someone else's work is challenging, with your assistance, it was easily achieved. In conclusion, the School District was very pleased with the result and it has been a great pleasure working with you on this project. We are really looking forward for upcoming projects together.

Again, thank you very much for your cooperation. If you have any question, please feel free to contact me.

Sincerely,

Jennifer Hotrum - President
